**Indian Society for Technical Education**  
**New Mehrauli Road, New Delhi-110016**

## Chapter History & Goal

Bengal Institute of Technology & Management, Santiniketan Students Chapter of the Indian Society for Technical Education was founded on 29<sup>th</sup> June' 2009. The Chapter consists of 104 student members and 25 Life members from all the engineering departments.

The goals of our chapter are to:

- Familiarize students with ISTE and encourage registration and participation in ISTE activities.
- Increase awareness of the recent advances and discoveries in engineering and technology.
- Increase awareness of career opportunities in the engineering and enhance professional development.
- Enrich the academic experience of its members.

The chapter welcomes all engineering fellows at BITM that have an interest in engineering research to become members.
